Dear Crescentian,

A very warm welcome to the Crescent family!

Congratulations on reaching this significant milestone in your life. Entering Secondary One is an exciting chapter – filled with new opportunities, friendships, and experiences. At the same time, we understand it can feel a little daunting as you leave the familiarity of primary school and step into a whole new world. At secondary school, you will encounter new routines, new teachers, and new challenges that will help you grow. This is your time to learn independence and take responsibility for shaping your own journey.

To support you as you begin this adventure, your seniors and teachers have prepared an engaging Orientation programme. You are joining Crescent at an extraordinary moment as we celebrate CG70, our 70th Anniversary in 2026. In line with our CG70 theme, your Orientation theme is “Honouring the Past, Inspiring the Future.” Together, we will celebrate our rich heritage and look forward to the exciting possibilities ahead.

At Crescent, you will find countless opportunities to learn, grow, and discover your passions. With the support of friends, guidance from seniors, and care from teachers, you will navigate this new phase and flourish. Through the Orientation programme, we hope you will experience what it truly means to be part of the Crescent family – a community where you dare to dream big, rise above challenges, and shine as a beacon of positivity and determination.

For nearly 70 years, Crescent has nurtured ladies and leaders for the nation – instilling character, courtesy, generosity, and sincerity. May you come to appreciate this proud legacy and feel inspired to contribute to it. I hope you are excited about the possibilities that await you as you embark on this journey with us.

I wish you an enjoyable and meaningful Orientation, and I look forward to getting to know you better in the years ahead!

Regards,

Ms Cindy Low
