About Us

Crescent PSG works in partnership with CGS to organise activities that establish relationships between the school, students and parents. We are a non-profit registered society that runs on the goodwill of parents.

For Parents

Strengthen parent-child relationship with parenting talks and exciting parent-child activities such as Escape Trail and Tote Bag Art Jamming sessions. Parents can also connect with fellow Crescentian parents through volunteering at our events and participating in team building activities.

For Our Girls

We organise events that enrich our girls' educational journey at CGS. Each year, Crescentians look forward to the CNY Food Sale, Parents' Day Sale, Crez Carnival, and Night Study Sessions, just to name a few.

Join Us

Join Crescent PSG by scanning the below QR code and be part of your daughter's journey at CGS. Our events that benefit our girls are made possible with the support of parent volunteers like you.
